

Control No. PCN-15061

February 9, 2015

PRODUCT/PROCESS CHANGE NOTIFICATION

TYPE OF CHANGE: ☐ Design ☐ Manufacturing ☒ Other

This notification is provided in accordance with Power Integrations policy of major change notification. If you have any questions or need further assistance, please contact your regional Power Integrations sales office.

DESCRIPTION OF CHANGE

Effective May 9, 2015 all newly manufactured AC-DC converter and LED driver products will bear a new Power Integrations logo on the product marking. The products will also be shipped with packing materials with the new Power Integrations logo. Below are examples for your reference.

1. Product Marking

CONFIDENTIAL

The information in this report contains confidential and proprietary information of Power Integrations and its manufacturing partners. By receiving this report, the customer agrees to use this information for the sole purpose of addressing the issues reviewed in this report and to keep the contents confidential. If it becomes necessary for the customer to disclose this information to a third party, a non-disclosure agreement, which provides reasonable and customary protection for the disclosed information, must be executed.

3. 6-Pack Master Carton

Existing Logo on 6-Pack Master CartonNew Logo on 6-Pack Master Carton**REASON FOR CHANGE**

Change in the company's logo.

PRODUCTS AFFECTED

All AC-DC converter and LED driver products.

CAPZero Family	ChiPhy Family	DPA-Switch Family	Hiper Family
InnoSwitch Family	LinkSwitch Family	LYTSwitch Family	Qspeed Family
SENZero Family	TNYSwitch Family	TOPSwitch Family	

QUALIFICATION STATUS

Not Applicable.

EFFECT ON CUSTOMER

This is a cosmetic external change and will not impact the performance, quality and reliability of the products. Please ensure that your incoming goods inspection, manufacturing and QA and/or other appropriate departments receive this announcement to avoid any rejections of the newly marked products.

EFFECTIVE DATE

May 9, 2015. This date is subject to change. Products shipped after the effective date will continue to be shipped with the existing logo on the product marking and/or shipping medium until they are depleted.

SAMPLE AVAILABILITY

Mechanical samples are available upon request. Please send requests for mechanical samples within two weeks after receipt of this notification to the local Power Integrations sales office. For manufacturers that request mechanical samples, an accommodation will be made in order to allow time for the manufacturer's verification in a case-specific manner.

CONFIDENTIAL

CUSTOMER ACKNOWLEDGEMENT

Power Integrations requests you acknowledge the receipt of the above-mentioned PCN. If no acknowledgment is received within 30 days of this notification, Power Integrations will assume the change is acceptable. Lack of any additional response within 90 days of this notification further constitutes acceptance of the change.

Power Integrations reserves the right to ship either version manufactured after the effective date until the inventory of the earlier version has been depleted.

If you have any questions or need further assistance, please contact your regional Power Integrations sales office. Otherwise, please check the box below, acknowledging the receipt of the PCN.
